

$$\varphi = \varphi_2 = \text{const}$$

The diagram shows a large white circle with a smaller shaded disk at its center. The shaded disk is filled with diagonal black lines. Surrounding the large circle is a region filled with thick black diagonal hatching. The text $\varphi = \varphi_1 = \text{const}$ is located inside the large circle, and $\varphi = \varphi_2 = \text{const}$ is located in the hatched region.

$$\varphi = \varphi_1 = \text{const}$$
